How your pledge becomes £8,000

The project: Big MACS Meet Up

The annual BIG MACS MEET UP brings children, adults, parents and carers together for friendship, fun and unforgettable memories. Big Give funding will help create accessible activities and joyful shared experiences for the MACS community.

A £2,000 pledge is matched by a £2,000 Champion contribution to create a £4,000 match pot. During 1-8 December, £4,000 of campaign donations can then be matched, generating £8,000 in total.

A MACS mum's story

“Those first weeks were filled with worry about our son's vision and future. We found MACS and signed up straight away. Seeing similar stories - and members with MACS conditions thriving - eased our concerns. We met another family and faced those first appointments together. MACS has been amazing; I honestly don't know what we would have done without them!
